Explanation of relevant facts and your specific involvement in the incident(s):

At Huntington Beach CA Luiz Felipe Miranda displayed unsportsmanlike conduct on 3 occasions. As the official on his court, I first issued a verbal warning, then I issued a yellow card twice in the same day. He kicked the ball w/ negligent disregard and yelled obscenities. This all occurred on August 17th, 2019.

I will be submitting additional paperwork once I have obtained all required documents.

I have included all required documentation and have no further documentation to submit.
