# CHAPTER VII: REFEREES

## 21. COMPOSITION

The refereeing corps for a match is composed of the following officials:

- the 1<sup>st</sup> referee,

- the 2<sup>nd</sup> referee,
- the scorer,
- two (2) or four (4) line judges.

Their location is shown in the end of this section.

## 22. 1<sup>st</sup> REFEREE

### 22.1 LOCATION

The 1st referee carries out his/her functions standing on a referee's stand located at one end of the net on the opposite side to the scorer. His/her view must be approximately 50 cm above the net.

### 22.2 AUTHORITY

22.2.1 The 1<sup>st</sup> referee directs the match from the start until the end. He/she has authority over all members of the refereeing corps and the members of the teams. During the match his/her decisions are final. He/she is authorized to overrule the decisions of other members of the refereeing corps, if it is noticed that they are mistaken.

22.2.2 He/she has the power to decide any matters involving the game, including those not provided for in the Rules.

22.2.3 He/she shall not permit any discussion about his/her decisions. However, at the request of the captain, the 1st referee will give an explanation on the application or interpretation of the rules upon which he/she has based his/her decision. If the captain disagrees with the explanation and formally protests, the 1st referee must authorize the players to report on the Score Sheet.

## 23: 2<sup>nd</sup> REFEREE

### 23.1 LOCATION

The 2<sup>nd</sup> referee performs his/her functions standing outside the playing court near the pole, on the opposite side of and facing the 1st referee.

The 2<sup>nd</sup> referee is the assistant of the 1st referee but has also his/her own range of jurisdiction.

## 24: SCORER

### 24.1 LOCATION

The scorer performs his/her functions seated at the scorer's table on the opposite side of the court from and facing the 1<sup>st</sup> referee.

### 24.2 RESPONSIBILITIES

The scorer fills in the score sheet according to the Rules, cooperating with the 2nd referee. He/she uses a buzzer or other sound device to notify irregularities or give signals to the referees based on his/her responsibilities.

24.2.1 The scorer records the points scored, controls the serving order of each team and indicates any error before the serve hit, records the time-outs, checking the number of such, and informs the referees, records any sanctions and improper requests, recovery time, prolonged interruptions, external interference, and etc.

24.2.2 In the case of a protest, with the previous authorization of the 1<sup>st</sup> referee, writes or permits the captain concerned to write on the score sheet a statement on the incident being protested.

## 25. LINE JUDGES

### 25.1 LOCATION

25.1.1 Two-line judges are used, they stand at the corners of the court closest to the right hand of each referee, diagonally at 3ft 4 in to 6ft 7in (1 to 2m) from the corner. Each one of them controls both the end line and side line on his/her side.

25.1.2 When four (4) line judges are used, they stand in the free zone at 3ft 4 in to 10ft (1 to 3m) from each corner of the court, on the imaginary extension of the line that they control.

### 25.2 RESPONSIBILITIES

The line judges perform their functions by using flags, to signal the ball “in” and “out” whenever the ball lands near their line (s), the touches of “out” balls by the team receiving the ball, the ball touching the antenna, the served ball, the ball crossing the net outside the crossing space into the opponent’s court, the block touches during the rally.

## 26. OFFICIAL SIGNALS

### 26.1 1<sup>st</sup> and 2<sup>nd</sup> REFEREES' HAND SIGNALS

26.1.1 The referees will indicate with the official hand signal the reason for their whistle (the nature of the fault whistled, or the purpose of the interruption authorized). The signal must be maintained for a moment and, if it is indicated with one hand, the hand corresponds to the side of the team which has made the fault or the request.

26.1.2 Only the 1<sup>st</sup> and 2<sup>nd</sup> referees may blow a whistle during the match:

26.1.2.1 If the fault is whistled by the 1<sup>st</sup> referee, he/she will indicate in order:

- a) the team to serve,
- b) the nature of the fault,
- c) the player(s) at fault (if necessary).

26.1.2.2 If the fault is whistled by the 2<sup>nd</sup> referee, he/she will indicate:

- a) the nature of the fault,
- b) the player at fault (if necessary),
- c) the team to serve following the hand signal of the first referee.

In this case, the 1<sup>st</sup> referee does not show either the nature of the fault or the player at fault, but only the team to serve.

26.1.2.3 In the case of a double fault both referees show the hand signal for “double fault”. The team to serve next is then indicated by the 1<sup>st</sup> referee.

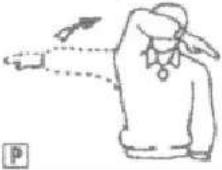

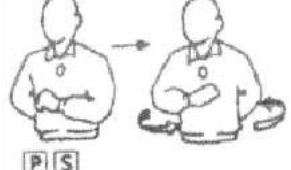

## 26.2 LINE JUDGES' FLAG SIGNALS

The line judges must indicate with the official flag signal the nature of the fault called and maintain the signal for a moment.
