Disciplinary Action Notice

Dear athlete Wellington Correa,

This letter serves to inform you that, as a result of your purposeful, collaborative scheme to not play in the final match due to a false misunderstanding of the prize money at the 7th stop of the National Footvolley Association Tour in Deerfield Beach, FL on November 24th, the NFA Board disciplinary committee has suspended you from any NFA activities in the year of 2020.

The National Footvolley Association was created to promote and develop the sport around the USA. Behavior like yours goes against NFA's mission and are absolutely not acceptable nor will it be tolerated by The National Footvolley Associations board and members. If such action is to happen again, the NFA will be forced to exclude you from any further events or activities in the future.

Thank you,

The Disciplinary Committee
